

4. MR. BROWN suffers from Arthrogryposis, which causes him to be confined to a wheelchair. The condition also causes atrophy in his arms, hands, shoulders and elbows, which makes it extremely difficult to reach for, grip and manipulate objects.

5. Due to his disability, Plaintiff is substantially impaired in several major life activities and requires a wheelchair for mobility.

6. Upon information and belief, Defendant, EINSIDLER MANAGEMENT INC., (hereinafter referred to as “DEFENDANT”) is a New York Corporation. Upon information and belief, Defendant is the owner of the real property and improvements which are the subject of this action, to wit: the “Property”, generally located at 94-00 Liberty Ave, Ozone Park, NY 11417, 105-07 & 105-09 Cross Bay Blvd, Ozone Park, NY 11417. Defendant is subject to compliance with the ADA.

7. All events giving rise to this lawsuit occurred in the Eastern District of New York.

**COUNT I - VIOLATION OF TITLE III OF THE
AMERICANS WITH DISABILITIES ACT**

8. The allegations set forth in the foregoing paragraphs are incorporated by reference as if fully set forth herein.

9. The Property, a building with several retail stores and restaurants, is a place of public accommodation and is subject to the ADA.

10. MR. BROWN has visited the Property owned/operated by Defendant several times over the past two years and regularly frequents the area where the Property is located.

11. During his visits, MR. BROWN encountered serious difficulty accessing the goods and utilizing the services therein due to the architectural barriers discussed herein.

12. Due to these barriers, MR. BROWN was denied and continues to be denied the full and equal enjoyment of the goods and services offered at the Property.

13. MR. BROWN intends to and will visit the Property to attempt to utilize the goods and services in the near future because he enjoys the stores located there, but fears that he will face the same barriers to access as discussed herein. However, but for the discriminatory barriers to access at the Property, Plaintiff would visit more often.

14. Defendant is in violation of 42 U.S.C. § 12181 et seq. and 28 C.F.R. § 36.304 et seq. and is discriminating against the Plaintiff due to, but not limited to, its failure to provide and/or correct, the architectural barriers to access referenced below, which were personally encountered by Plaintiff and which limited his access to the Property:

A. Plaintiff encountered inaccessible tenant entrances to many of the stores located at the Property. Specifically, El Forno Pizza & Grill, Mia Halal Food and the Beauty Salon all have steep ramps leading directly up to their doorways and lack a level landing within the maneuvering clearance on the exterior side of the doors. Additionally, the Gyro Qila entrance doors are inset into the building in an alcove where they lack pull side clearance on the latch side of the doors. These conditions prevent Plaintiff from independently opening the doors safely during his visits and forces him to wait for someone to open the door so that he can enter any of these tenant stores.

B. Plaintiff encountered an inaccessible payment counter in the Mia Halal Food restaurant due to a very high food ordering/payment counter. This condition prevents Plaintiff from conveniently ordering food, making payment and receiving the food from the employee at the counter.

C. Plaintiff encountered inaccessible table seating in the Mia Halal Food restaurant due to a very narrow aisleway in the sit-down area and the lack of any disabled use table seating locations for wheelchair users. This condition prevents Plaintiff from eating at the restaurant because he cannot wheel into the table seating area.

15. To date, the barriers and other violations of the ADA still exist and have not been remedied or altered in such a way as to effectuate compliance with the provisions of the ADA.

16. Removal of the barriers to access located on the Property is readily achievable, reasonably feasible and easily accomplishable without placing an undue burden on Defendant.

17. Removal of the barriers to access located on the Property would allow Plaintiff to fully utilize the goods and services located therein.

18. Independent of his intent to return as a patron to the Property because he enjoys the food there, Plaintiff additionally intends to return to the Property as an ADA tester to determine whether the barriers to access stated herein have been remedied.

19. The Plaintiff has been obligated to retain the undersigned counsel for the filing and prosecution of this action. Plaintiff is entitled to have his reasonable attorneys' fees, costs, and expenses paid by Defendant pursuant to 42 U.S.C. § 12205.

Failure on the part of Defendant, as a reasonable and prudent public accommodation, in acting or failing to act to identify and remove barriers can be construed as a “negligent per se” act of Defendant.

30. Plaintiff has been damaged and will continue to be damaged by this discrimination as more fully set forth above.

31. Plaintiff prays for judgment pursuant to N.Y. Exec. Law § 297, including compensatory damages contemplated by § 297(9).

38. The Defendant has further violated the NYCRL by being in violation of the rights provided under the ADA.

39. This has resulted in a cognizable injury to Plaintiff.

40. Plaintiff has been damaged and will continue to be damaged by this discrimination as more fully set forth above.

41. Plaintiff prays for judgment pursuant to NYCRL § 40-d, including minimum statutory damages, and all other relief allowed by law.

WHEREFORE, the Plaintiff demands judgment against DEFENDANT, and requests the following injunctive and declaratory relief:

- D. That the Court award reasonable attorney's fees, costs (including expert fees), and other expenses of suit, to the Plaintiff;
- E. That the Court award damages to Plaintiff pursuant to his state law claims; and
